OTHER ACTIVITIES

- 25X1A6a a. Special Project [REDACTED] with five trainees previously reported upon was completed Friday, 12 April. The students provided an informal luncheon in a private room at [REDACTED] for the instructors as a token of their appreciation for their efforts. They all agreed that the course had been a profitable one. 25X1A2g
- 25X1A6a b. Special Project [REDACTED] with one trainee was concluded on Wednesday, April 10. Both SE and WE Divisions were notified of information developed during the sessions of subject's former intelligence activities and connections with [REDACTED] connections prior to his recruitment for work on the [REDACTED] project. 25X1A2g
- 25X1A2g c. Special Projects [REDACTED] with one trainee, [REDACTED] with one trainee, both previously reported upon are continuing on schedule. 25X1A2g
- d. Special Project [REDACTED] with one trainee, also previously reported upon, has been recessed until 29 April, according to schedule. On the latter date, the program will be resumed to complete coverage on the International Communist Movement and anti-Communist action and also coverage in technical training. 25X1A2g
- e. Six training projects involving U.S. deep cover agents are continuing at Headquarters [REDACTED] One project finished at Headquarters and one started. 25X1A
- f. A new safehouse facility has been located which will replace one we have been using for a considerable period of time. We are quite fortunate in being able to obtain furniture for the new site from a safehouse belonging to A&E/TR which they are terminating on 1 June. The timing has worked out perfectly and the net result
